Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common fam-ily ailments, such as constipation, indigestion, hard colds, bowel com-plaints, chills and fever, bilious-ness, headaches and other like ness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhæa, biliousness, piles, hard colds and headache. Every druggist has Thedford's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattancoga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Illewara, La.

Too hot to crawl, too hot to creep, Too hot to wake, too hot to sleep; Too hot to stand, too hot too fall, Too hot to laugh, too hot to bawl; Too hot to ride, too hot to walk,
Too hot to whisper or to talk;
Too hot to starve, too hot to eat,
My head's too hot—so are my feet;
Too hot to write, too hot to think,
Too hot to drown myself in drink;
Too hot to live, too hot to try;
Too hot to work, too hot to try;
Too hot to kick about the heat,
Too hot to kick about the beat,
Too hot another line to sing—
Too dadgummed hot for anything!

State College of Kentucky.

The Agricultural and Mechanical (State College) College of Kentucky, offers the following courses of study, viz: Agricultural, Horticultural, Ohemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering, each of which extends over four years and leads to a degree. Post Graduate studies are also provided, leading each to a Master's degree. Each course of study is organized under a separate faculty. The general faculty numbers nearly 50, professors and instructors. COUNTY APPOINTEES receive tuition, room rent in dormitories, fuel and lights, and if they remain 10 months, traveling expenses. The labratories and museums are large, well-equipped, comprehensive and modern. The Legislature appropriated \$60,000 for a College Home for young women and \$30,000 for drill hall and gymnasium for men. The latter is completed and in use, the former will be ready for occupancy in October.

Military tactics and Science are fully prvoided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply. Last year the matriculation list was 604.

The State College of Kentucky, though bearing hitherto the title of College, is the only institution in the Commonwealth doing, in any proper sense, University work.

The completion of the College Home for young women will provide facilities for good board and lodging. It is equipped with all modern conveniences including bath rooms and room for physical culture. It will be heated by steam and lighted by electricity.

An opportunity is afforded to them of a thorough education in Classics. Modern Languages, Literature, Science, Mathematics, Logic, Metaphysics, History and Political Economy. No other Institution in the State offers advantages for the education of women at all comparable to those offered by State College of Kentucky.
